- **Harbour Walk 1 – Wanchai to Central**

Over 50 participants took part at our first Harbour Walk from Causeway bay to Central. Along the route participants experienced first-hand the constraints facing our waterfront including pavement-less roads, limited access to Government vacant land, and an infrastructure dominated waterfront. Experts spoke along the route on about proposals for the Wan Chai waterfront, opportunity for a world class promenade, urban design issues, quality waterfront open spaces, and proposals for Tamar and the Central reclamation.

Harbour Business Forum Newsletter | No. 6 | February 2006

- **The Third Harbour Roundtable - Central**

Third of the series will be concentrating on Future plans for Central reclamation and surrounding areas on March 30. This follows our publication of our *Review of Central Reclamation and Waterfront* report. Details will be issued separately in due course.

In the News

- **Public opinion survey on our Harbour**

Harbour Business Forum undertook a public opinion survey on the Hong Kong's perceptions of, and aspirations for our Victoria Harbour. The loud and clear message from the survey is the public's concern for enhancing the waterfront and cleaning up pollution, with 88% of interviewees wanting to see more greening around the harbour.
